Hi Mr. DAY 1140-07 til mid terms.

7/19/2026 (#5) Not only was my arrest a pre-planned setup implemented by known bad cops, my court process nothing short of a primer on legal rights violations, obfuscation of evidence, testimony fraud, the ignoring of police misconduct and criminality, and objective, written violations by the judge of even Russian high court precedents, but there is also an undeniable diplomatic element that cannot be ignored. When examined in context it becomes clear that not only was my life stolen from me for illegitimate political purposes, but the desire of the USG not to essentially reward Russia's bad behavior is the last remaining barrier to my redemption; I'm being victimized on both ends for entirely inappropriate political cause. This is an impasse which only publicity and public outcry are likely to overcome. Here is a timeline of some of the major events relevant to this understanding:

Dec. 2024 - Russian Deputy Aleksandr Overchuk goes on NBC saying Russia will not discuss prisoner trades until the U.S. helps them with Ukraine. The journalist is in shock.

5/19/2025 - The 9 for 9 prisoner trade is agreed to during a call between Trump & Putin.

Jun. 2025 - my story is on the cover of Rolling Stone, "I Was Taken Hostage."

Jan. 2026 - That story wins the L.A. Press Award for Best Music Reporting of 2025.

Mar. 2026 - During an online chat hosted by the Foley Foundation, the USG publically links the prisoner exchange to Ukraine. This by itself is all the legal justification one needs to declare all of us Wrongfully Detained. It is criteria #1 of the Levinson Act.

4/29/2026 - Trump-Putin call about the prisoner trade.

5/5/26 & 5/8/26 - Rubio-Lavrov have calls. Rubio says in a Senate hearing that his discussions are about more than just Ukraine.

5/20/2026 - Exactly one year after the trade is agreed to, Russian media says Steve Witkoff will be in Moscow in the coming weeks. Coincidence?

6/14/2026 - Trump-Putin call, the media here says Witkoff coming in days.

7/4/2026 - Trump-Putin call, the media here says Witkoff preparing to come.

7/11/2026 - Russian media (TASS) reports Witkoff's visit still on the agenda.

7/12/2026 - Witkoff says he's not coming as there's "no point."

7/16/2026 - New sanctions against Russia are passed by the U.S. Senate.

Can there be any doubt that we are diplomatic pawns? No. And this is the #1 legal condition according to U.S. law to declare someone wrongfully detained.
